ABOUT THE GCET 峰会简介

The World Chinese Economic Summit was founded by Tan Sri Lee Kim Yew and Tan Sri Michael Yeoh in 2009. It was first held in the Palace of the Golden Horses, Malaysia and hosted by its Founder and Patron, Tan Sri Lee Kim Yew.

Since then, WCES has been held in Melbourne, Chongqing, London, Melaka, Macao, Beijing, Bonn, and Penang. The Summit emphasized the role of the Global Chinese and connecting the Global Chinese Diaspora as well as promoting learning between East and West.

Resulting from the Global Pandemic and focusing on global recovery, the importance of global partnership, global leadership and global cooperation is imperative. Technology has also become a game changer and a key driver of the global economy – digital technology and innovations, green technology, health technology and agrotechology will enhance global growth. The growing focus on sustainability also requires technological innovations and solutions.

Recognizing these strategic trends of global geopolitical and geoeconomics forces and the power of global partnerships in this new global era, the WCES has been transformed into the Global Chinese Economic and Technology Summit to strive towards sustainable globalisation. We will strengthen global cooperation and technology partnerships and focus on the 4Ps – Peace, Partnerships, People and Planet for global shared prosperity.

The increasing geopolitical tensions and geoeconomic challenges in a multipolar world requires stronger collaboration and partnerships between China and ASEAN. With rising uncertainty and vulnerabilities forging partnerships can help develop a better world and shared future.

李金友和杨元庆于2009年共同创立了世界华人经济峰会 (WCES)。首场峰会于14年前在马来西亚的金马皇宫举办，主办者为创始人兼赞助人李金友。

此后，WCES先后在墨尔本、重庆、伦敦、马六甲、澳门、北京、波恩和槟城等地举办。本峰会强调全球华人的作用并连接全球华人，以及促进东西方相学习。

由于全球大流行的原因和专注于全球复苏，迫切需要提高全球伙伴关系、全球领导关系和全球合作关系。技术已成为游戏规则的改变者和全球经济的关键驱动力，包括数字技术和创新、绿色技术、医疗技术和农业技术等将促进全球增长。

我们意识到全球地缘政治和地缘经济势力的战略趋势，以及全球伙伴关系在全球新时代中的力量，因此“世界华人经济峰会”已更名为“全球华人经济和科技峰会”，以顺应时代变迁和努力实现可持续的全球化。我们将加强全球合作和技术伙伴关系，重点关注4Ps—和平 (Peace)、合作关系 (Partnerships)、人民 (People) 和地球 (Planet)，以实现全球共同繁荣。
